Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (OEB) File: EB-2023-0343  
East Gwillimbury Community Expansion Project  
Intervention Requests**

---

Enbridge Gas has reviewed the intervenor request letters for the above noted proceeding from the following parties:

- Environmental Defence (ED)
- Pollution Probe
- Federation of Rental-housing Providers of Ontario (FRPO)

Enbridge Gas does not object to the intervention requests made by ED, Pollution Probe and FRPO but will comment on one statement from ED's intervention request letter filed on January 24, 2024. In its letter, ED seeks to submit evidence in this proceeding after the OEB has rendered a decision on ED's proposed evidence in other ongoing Enbridge Gas community expansion cases. Since no details are provided regarding the nature of the proposed evidence, Enbridge Gas is not able to comment on its value or relevance at this time. However, Enbridge Gas reserves the right to comment on or challenge the proposed evidence once there is clarity.

Please contact the undersigned if you have any questions.

Sincerely,

Eric VanRuymbeke
