Dear Ms. Marconi:

Re: Enbridge Gas Inc. – EB-2022-0200 – 2024 Rebasing

I represent the Green Energy Coalition (“GEC”) in the above proceeding. I am writing to request that David Poch be re-added to the distribution list for this proceeding and the remaining phases as a consultant for GEC. Mr. Poch had requested to be kept on the distribution list in his letter of December 15, 2023, but it appears that his email has been removed.

Yours truly,

Amanda Montgomery
