**LETTER OF COMMENT**

**Comments:**

I want to make it clear the people of Ontario DO NOT want to pay for any upgrades to the Darlington Power station or support any increase in Hydro rates. TAKE it out your PROFITS that you have been ROBBING us of for many years. The Auditor General is clear we pay FAR too much for Hydro and WE the people have had enough. There will be a REVOLUTION if this continues, you are destroying this Province and DRIVING businesses to leave. Hydro rates need to come down or it's just a matter of time before the people of Ontario REACT.

FED UP with your BULLSHIT and GREED!
