IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by **Parry
Sound Power Corporation** for an order approving
just and reasonable rates and other charges for
electricity distribution to be effective **May 1, 2009**

PROCEDURAL ORDER No. 1

Parry Sound Power Corporation ("Parry Sound" or "the Applicant") filed an application with the Ontario Energy Board, received on August 18, 2008 under section 78 of the *Ontario Energy Board Act*, 1998, seeking approval for changes to the rates that Parry Sound charges for electricity distribution, to be effective May 1, 2009. The Board has assigned the application File Number EB-2008-0240. The Board issued a Notice of Application and Hearing dated September 2, 2008.

The Board has decided to make provision for a phased approach to the discovery process for this proceeding. The first phase will consist of written interrogatories followed by a technical conference, which will be held prior the filing of written interrogatory responses. The purpose of the technical conference is to allow parties and the Board to better understand Parry Sound's application and to facilitate a face-to-face discussion of the interrogatories to ensure clarity regarding the nature of the questions being asked and the responses being sought. Once the technical conference is completed, the Applicant will be required to file full written responses to the interrogatories.

At the completion of this first phase of the discovery process, the Board will determine whether further discovery, either in the form of a further technical conference or further interrogatories, is required and whether to order that a Settlement Conference be held. Depending on the outcome of any Settlement Conference and related proceedings, the Board will then determine whether to hold an oral hearing and will advise the parties accordingly.

This Procedural Order speaks only to the first phase of discovery for this proceeding. Please be aware that this Procedural Order may be amended, and further procedural orders may be issued from time to time.
