## DECISION AND ORDER

XOOM Energy ONT, ULC (XOOM Energy) filed two applications on December 8, 2023, with the Ontario Energy Board (OEB). One application, filed pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), is for a renewal of XOOM Energy's electricity retailer licence, and the other, filed pursuant to section 50 of the OEB Act, is for a renewal of XOOM Energy's gas marketer licence.

The OEB combined the applications into one proceeding, under section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the applications without holding a hearing pursuant to section 6(4) of the OEB Act.

XOOM Energy's applications for renewal of its electricity retailer and gas marketer licences are granted. When evaluating applications for electricity retailer and gas marketer licences, the OEB focuses its consideration on the requirements set out in *Ontario Regulation 90/99: Licence Requirements - Electricity Retailers and Gas Marketers* under the OEB Act (Regulation). The record in these cases indicates that XOOM Energy has met the requirements set out in the Regulation.

### IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
2. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.
