Re: Electricity Generation License EG-2021-0217 Amendment Request

Eastern Power Inc. was granted an Electricity Generation License on the 16th of December 2021. The license authorized the company to own and operate Eastern Power Inc.'s proposed natural gas and hydrogen generation facility, with a capacity of 600 MW, located at 477B Oil Springs Line, Courtright, ON, N0N 1H0.

The license holder wishes to request the Board for the following amendments:

Amendment To Transfer to the Newly Created Project Entity:

In 2021 Eastern Power Inc. commenced an unsolicited development for the permitting, interconnection studies, and subsequent construction and operation of a 600 MW combined cycle power generation facility to be located at 477B Oil Springs Line, Courtright, ON, N0N 1H0. The license was applied for and issued in the name of Eastern Power Inc. for this proposed development.

An affiliate, with similar ultimate ownership, Greenfield South Power Inc. has been created for the execution of this project. The Certificate of Incorporation and the Articles of Incorporation for Greenfield South Power Inc. are attached for reference.

The applicant requests that the license EG-2021-2017 be transferred from Eastern Power Inc. to Greenfield South Power Inc. to be consistent with the updated project ownership.

Thank you,

Gregory Vogt
President
