Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File No.: EB-2022-0156
Selwyn Community Expansion Project (Project)**

On September 21, 2023, the OEB issued its Decision and Order for the above noted proceeding which included, as Schedule A, several Conditions of Approval.

Per Condition 2 (b)(iii) of the Conditions of Approval, Enbridge Gas shall give the OEB notice in writing of the date on which construction was completed, no later than 10 days following the completion of construction. Enbridge Gas is therefore advising the OEB that construction was completed on February 1, 2024. Enbridge Gas wishes to acknowledge that the notification 10 days following the completion of construction was missed inadvertently. Clean-up efforts will continue in spring 2024, and Enbridge Gas will file a post construction report to satisfy Condition 7. (a) of the Conditions of Approval no later than March 1, 2024 and subsequently a final monitoring report to satisfy Condition 7. (b) no later than June 1, 2025.

Please contact me if you have any questions.

Yours truly,
