Dear Ms. Marconi;

RE: ALECTRA UTILITIES CORPORATION INCREMENTAL CAPITAL MODULE APPLICATION FOR 2024 ELECTRICITY DISTRIBUTION RATES AND CHARGES (EB-2023-0004) – RESPONSE TO COMMENTS ON DRAFT RATE ORDER

On July 21, 2023, Alectra Utilities filed an application with the Ontario Energy Board (“OEB”) under Section 78 of the *Ontario Energy Board Act, 1998*, seeking approval for Incremental Capital Module (“ICM”) funding for its PowerStream and Enersource Rate Zones (“RZ”), effective January 1, 2024.

The OEB issued its Decision and Order (“Decision”) in this matter on February 13, 2024. Alectra Utilities filed a Draft Rate Order (“DRO”) on February 20, 2024. On February 27, 2024, OEB staff filed their comments on the DRO and submitted that Alectra Utilities had accurately updated the ICM model, bill impacts, and 2024 Tariff of Rates and Charges for the PowerStream RZ to reflect the OEB’s findings in its Decision. No other parties submitted comments.

Alectra Utilities has reviewed OEB staff’s submission and has no further comments.

Should you have any questions or require additional information, please do not hesitate to contact me.

Yours truly,

Natalie Yeates
