Dear Ms. Walli:

Board File No. EB-2007-0697
Horizon Utilities Corporation –2008 Rates Rebasing Application
Horizon Letter April 10, 2008

Energy Probe Research Foundation (Energy Probe) has received a letter from Mr. Sidlofsky, counsel to Horizon Utilities Corporation, dated April 10, 2008, requesting that his client's current distribution rates and charges be declared interim as of May 1, 2008. Energy Probe does not object to this request.

In respect of his second request, that any incremental revenue requirement for the 2008 rate year be recoverable in full over the balance of the 2008 rate year, this appears to Energy Probe to be a matter for the Board's decision after the Oral Hearing has been completed and arguments have been filed, whether the increment is positive or negative.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
