Board Secretary  
Ontario Energy Board

Dear Ms. Walli:

**Re: EB-2007-0697  
Horizon Utilities Corporation  
Application to the Ontario Energy Board (the "OEB") for Electricity  
Distribution Rates and Charges as of May 1, 2008**

We are counsel to Horizon Utilities Corporation ("Horizon Utilities") with respect to the above-captioned matter.

In our letter of June 17, 2008, which covered a number of confidential responses to Undertakings given during the oral hearing, we advised that as of 12:01 that morning, Horizon Utilities' unionized workers were on strike. The labour disruption is continuing, and this has required non-union staff (including management and executives) to assume all additional duties necessary to ensure the continued safe operation of the utility.

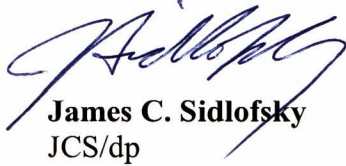

We are working diligently with Horizon Utilities to finalize the submission due today pursuant to Procedural Order No. 4, but we now anticipate that it will be delivered on Monday, June 23, 2008. In light of this slight delay, we propose that the intervenors be allowed until Monday, June 30, 2008 to file their submissions.

The Board will recall that, during the hearing, the panel agreed to extend the deadline for Horizon Utilities' reply argument from July 7, 2008 to July 9, 2008. Horizon Utilities currently anticipates that it will be able to deliver that submission by Friday, July 11, 2008.

We regret any inconvenience these minor adjustments to the timeline may cause, and we thank the Board in advance for its consideration in this matter.
