Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File No. EB-2022-0335
Integrated Resource Planning (IRP) Pilot Projects
Request for Abeyance**

Within Enbridge Gas's Request for Abeyance filed on January 12, 2024, the Company requested that the OEB continue to hold the IRP Pilot Projects proceeding in abeyance to allow time for Enbridge Gas to assess the impacts (if any) to the application and evidence arising from the recent Decision and Order on Enbridge Gas's Application for 2024 Rates – Phase 1 (EB-2022-0200), and stated that the Company would provide an update on the status of its assessment by the end of February.

Accordingly, Enbridge Gas is filing this letter to request that the proceeding continue to be held in abeyance. The Company expects that it will be able to provide an update on the IRP Pilot Projects application and evidence by April 30, 2024.

If you have any questions, please contact the undersigned.

Sincerely,

Brittany Calhoun
