Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board

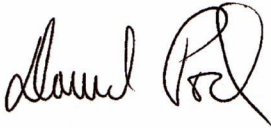

Dear Ms. Walli:

**Re: EB-2007-0905 – OPG regulated facilities – GEC/Pembina/OSEA comments on draft issues list and interim rates proposal**

We apologize for the late filing of this submission, travel difficulties due to the weather made it impossible for me to attend to this matter on Friday. We have reviewed the draft issues list and the submissions of other parties suggesting changes thereto. We find the draft list acceptable and we do not object to any of the changes proposed by other parties that we have seen to date including OPG's proposals for wording it finds more neutral.

GEC/Pembina/OSEA have no concerns with respect to the proposal to order interim rates.

Sincerely,

David Poch
