Re: Newmarket-Tay Power Distribution Ltd. Confidential Interrogatory Response Update for Application for rates effective May 1, 2024 (OEB File No: EB-2023-0039)

Dear Ms. Marconi,

Newmarket-Tay Power Distribution Ltd.'s (NT Power) is withdrawing its request for confidential treatment of an interrogatory response.

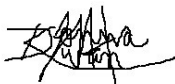

In NT Power's February 23, 2023 covering letter to its responses to interrogatories, NT Power requested confidential treatment of certain information contained in the Cost Sharing Agreement filed in IRR 21 – CCMBC 8. The Cost Sharing Agreement contains a Confidentiality Agreement between NT Power and the Regional Municipality of York (York Region) to which NT Power is bound by. At that time, York Region did not consent to the public release of three areas in the agreement.

On March 1, 2024, NT Power updated its confidentiality request after York Region consented to disclose two of the three areas previously noted. York Region did not consent to disclose the contact person, title, email and phone numbers of the vendors in Appendix C.

Upon further discussions, York Region has now provided consent to disclose all the information in Appendix C. Therefore, NT Power is withdrawing its request for confidential treatment and is attaching the unredacted agreement to this correspondence.

Should you have any questions regarding this filing, please do not hesitate to contact the undersigned.

Sincerely,

Donna Kwan, CPA, CA
