Dear Ms. Marconi;

Re: Alectra Utilities Corporation – Service Area Amendment Application

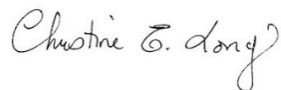

Alectra Utilities Corporation (“Alectra Utilities” or the “Applicant”) is a licensed electricity distributor in Ontario (License Number ED-2016-0360).

Alectra Utilities is making this application (the “Application”) to the Ontario Energy Board (“OEB” or the “Board”) to amend its service area to include specific lands, currently located in the licensed distribution service area of Hydro One Networks Inc. (“Hydro One”), for the purpose of servicing these lands. The customer, Multi-Area Developments Inc. (the “Customer”), has requested that the Applicant supply electricity to the subject lands. As identified above, Alectra Utilities is not the geographic distributor for the subject area.

Hydro One supports this Application. A letter of consent is included as Attachment 5 to the Application.

Alectra Utilities requests that the Board proceed with this Application without a hearing, pursuant to subsection 21(4) of the *Ontario Energy Board Act, 1998*.

Sincerely,

Christine E. Long
