Dear Mr. Tomek

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (OEB) File No.: EB-2022-0086  
Dawn to Corunna Replacement Project (Project)**

On November 3, 2022, the Ontario Energy Board (OEB) issued its Decision and Order for the above noted proceeding in which it granted Enbridge Gas Inc. (Enbridge Gas) leave to construct the Dawn to Corunna Replacement Project. On February 15, 2024, pursuant to the OEB's Condition of Approval 7 (a), Enbridge Gas filed with the OEB its three-month post construction report (Report). OEB staff reviewed the Report, and on February 21, 2024, sent a letter to Enbridge Gas requesting a written reply to three questions about the Report. Enbridge Gas filed its responses on March 12, 2024.

OEB staff appreciates Enbridge Gas's prompt filing of responses to the questions. This letter will confirm that nothing further is required with respect to the Report from Enbridge Gas at this time.

Yours truly,

Lawrie Gluck  
Manager - Natural Gas
