Dear Ms. Marconi

Re: EB-2024-0093– QRAM April 1st, 2024

We are writing on behalf of Canadian Manufacturers & Exporters (“CME”). Please consider this correspondence as CME’s written comments on EGI’s QRAM Application, which seeks changes to its rates for the sale, distribution, storage and transmission of natural gas effective April 1st, 2024.

As the Board is aware, it is CME’s practice to conduct a due diligence review of EGI’s QRAM Applications. CME has also reviewed the supplementary questions posed by Board Staff and EGI’s responses to those questions. Based on its review, CME takes no issue with EGI’s April 1st, 2024 QRAM application, assuming it is calculated consistent with the figures provided by Board staff and confirmed by EGI in Exhibit I.Staff.1.

CME requests an award of its reasonably incurred costs in connection with conducting its examination of EGI’s QRAM Application.

Yours very truly
