All of which SEC was approved for cost awards.

Issues:

SEC is materially impacted by the application as its members are customers of the Applicant. SEC's interests include, but are not limited to, the assessment of the allocation methodology applied to the capitalized deferral account, and the review of the deemed ROE to determine if the Earning Sharing Mechanism is triggered.

Policy Interests:

N/A

Hearings:

We believe the issue should be deferred until after interrogatories have been answered,

although at this time we believe a written hearing would likely be appropriate.

Evidence:

SEC does not intend to file evidence.

Coordination with Other Intervenors:

SEC will coordinate with other intervenors with similar interests, where appropriate, to promote responsible participation in the proceeding.

Cost Awards:

SEC applies for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC's members are customers of the Applicant and eligible for an award of costs pursuant to section 3.03(a) of the Practice Direction. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Language Preference:
