Dear Carrie Schwiopl:

Re: EB-2024-0060 - Westario Power Inc. for 2025 Rates

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on December 10, 2024. On December 16, 2024, in its comments on the drafts, Westario Power Inc. confirmed that no issues have been identified with respect to the OEB's draft Decision and Rate Order.

The OEB has included additional wording in Section 7 (Group 1 Deferral and Variance Accounts) of the final Decision and Rate Order to provide an overview of Account 1588 and to make reference to the amounts reported under the OEB's Electricity Reporting and Record-Keeping Requirements.

No other changes have been made to the final Decision and Rate Order.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Nancy Marconi
Registrar
