Dear Ms. Sadko:

**Re: Hydro One Networks Inc. (Hydro One)
Application for Leave to Construct - Waasigan Project
OEB File Number: EB-2023-0198**

The Ontario Energy Board (OEB) acknowledges receipt of the letter dated March 21, 2024 submitted by Neighbours on the Line. The letter has been filed on the record of the proceeding as correspondence and not as part of the evidentiary record in the proceeding.

Rule 13.02 of the OEB [Rules of Practice and Procedures](#) does not allow for the filing of written evidence in a proceeding without leave of the OEB. The OEB has not granted leave for the filing of evidence other than as provided for in Procedural Order No.3.

The OEB issued Procedural Order No. 4 on February 2, 2024 which, among other things, provided an opportunity for intervenors and OEB staff to file submissions and for Hydro One to file a reply submission. With the filing of Hydro One's reply submission on March 8, 2024, the record of the proceeding is now closed.

Yours truly,

Nancy Marconi
Registrar
