Dear Ms. Marconi:

**Re: Generic Proceeding – Cost of Capital and Other Matters  
OEB Staff's Plan for Expert Evidence  
OEB File Number: EB-2024-0063**

The purpose of this letter is to advise everyone who has expressed an interest in this generic proceeding of Ontario Energy Board (OEB) staff's plans to file expert evidence.

OEB staff has retained London Economics International LLC (LEI) to prepare an independent expert report for the generic proceeding. LEI's work will be led by AJ Goulding and Amit Pinjani, who will be assisted by senior LEI consultants.

The report will address the questions identified in the OEB's final issues list for the generic proceeding. The report will also include a review of other jurisdictions in North America, highlighting approaches that are unique or appear particularly relevant to the Ontario context.

Any questions relating to this letter should be directed to Fiona O'Connell at [fiona.oconnell@oeb.ca](mailto:fiona.oconnell@oeb.ca).

Yours truly,

Fiona O'Connell  
Senior Advisor, Regulatory Accounting, Operations Decision Support
