Dear Ms. Marconi:

**Re: London Hydro's 2024 Distribution Rates Application, EB-2023-0037**

We are writing in response to Procedural Order No. 3 to advise the OEB that a tentative agreement has been reached on the single issue, an accounting matter, that was identified in that same order. London Hydro and OEB Staff have agreed to work together to draft a settlement proposal and anticipate that it will be filed with the OEB on or before April 19, 2024.

Respectfully submitted,
