Dear Ms. Lucier:

**Re: EB-2023-0013 E.L.K. Energy Inc. Application for 2024 Rates**

The Ontario Energy Board (OEB) issued a draft Tariff of Rates and Charges in the above-noted proceeding on March 21, 2024. On March 27, 2024, in its comments on the Tariff of Rates and Charges, E.L.K. Energy Inc. noted that the description for the z-factor rate rider did not accurately describe the storm events.

The correction can be found throughout the Tariff of Rates and Charges, a copy of which is attached. The z-factor rate rider for each applicable rate class now reads:

Rate Rider for Recovery of Storm Damage Costs (2024) – effective until April 30, 2026

The Order, as originally issued, stated:

Rate Rider for Recovery of Wind Storm Damage Costs (2024) – effective until April 30, 2026

The OEB has issued a final Tariff of Rates and Charges at this time.

Any questions relating to this letter should be directed to the Case Manager, Abla Nur at [Abla.Nur@oeb.ca](mailto:Abla.Nur@oeb.ca) or at 437-880-4351. The OEB's toll-free number is 1-888-632-6273.

Yours truly,

Nancy Marconi
