Dear Ms. Marconi:

**Re: OEB File No. EB-2023-0195, Toronto Hydro-Electric System Limited (“Toronto Hydro”)
2025-2029 Custom Rate Application for Electricity Distribution Rates and Charges –
Letter Requesting that Panel 4 Appear Virtually**

On March 21, 2024, Toronto Hydro requested that the Technical Conference and the Oral Hearing be a hybrid process in which Toronto Hydro’s witnesses would appear in person. In its March 27, 2024 letter, the OEB confirmed the hybrid format (in-person and virtual).

Toronto Hydro requests that Panel 4 (Experts) appear virtually to minimize the cost associated with in-person attendance as the expert is located out of the country.

Please do not hesitate to contact us if you have any questions.

Sincerely,

Daliana Coban
