BROOKFIELD RENEWABLE TRADING AND MARKETING LP

Application for an Electricity Wholesaler Licence

BY DELEGATION, BEFORE: Brian Hewson
Vice President,
Consumer Protection & Industry Performance

April 4, 2024

DECISION AND ORDER

Brookfield Renewable Trading and Marketing LP filed an application on March 19, 2024, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity wholesaler licence EW-2019-0008, which is set to expire on April 10, 2024.

This Decision and Order is being issued by the Delegated Authority pursuant to section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity wholesaler licence to Brookfield Renewable Trading and Marketing LP. The OEB notes the application was filed by the applicant 22 days prior to the expiration of the existing licence and takes this opportunity to remind the applicant and all existing licencees that they must ensure their renewal application is filed in time to permit the OEB to undertake its review and issue a licence prior to the expiry of an existing licence.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
