Dear Ms. Marconi,

RE: EB-2022-0325: Generic Hearing on Uniform Transmission Rates – Phase 2 – Hydro One Background Reports on Issues 4, 5, and 6 – Energy Probe Questions

In PO No. 1 of December 8, 2023, the OEB ordered Hydro One to file its Background Reports on Issues 4, 5, and 6, and the Intervenors to file clarifying questions on the Background Reports in preparation for the Technical Conference.

Energy Probe has reviewed Hydro One's Background Reports on Issues 4, 5, and 6 and wishes to compliment Hydro One on the quality of the reports. Energy Probe does not have any clarifying questions.
