Dear Ms. Marconi:

Re: EB-2023-0336 – An Application by Ontario Power Generation Inc. (“OPG”) for an order or orders relating to impacts from the Market Renewal Program on prescribed generating facilities, and the disposition of balances in its deferral and variance accounts as of December 31, 2022 (the “Application”) Undertaking Responses and Updated Evidence

OPG is filing a consolidated version of all undertaking responses arising from the technical conference that took place on April 4, 2024. OPG is also making amendments to its evidence, as set out below. OPG has submitted these documents through the Regulatory Electronic Submissions System. This material will also be made available on OPG’s website at www.opg.com.

Corrections to Interrogatory Response

Exhibit	Description of Change
Ex. L-H-SEC-04, Att. 1	Column ii: corrected hydroelectric payment amount for 2021 and 2022 as explained in undertaking JT1.14.
Ex. L-H-SEC-04	Page 2, Footnote 1: removed a duplicative statement erroneously included in the original interrogatory response.

Respectfully submitted,

Matt Kirk
