Dear Ms. Marconi:

Re: EB-2024-0063 - Generic Proceeding – Cost of Capital and Other Matters - Ontario Energy Association (“OEA”) Participation Request

We write further to the letter dated March 25, 2024 from Vince Brescia, President and CEO of the OEA, advising of the OEA's intention to participate in this matter, and our letter dated April 6, 2024 advising that Norton Rose Fulbright Canada LLP is counsel to the OEA in respect of its participation in this matter.

Please be advised that Ontario Power Generation Inc. (**OPG**) and Upper Canada Transmission 2, Inc. (**UCT2**) are also included in the group of utilities on behalf of which the OEA is participating in this matter.

For clarity, the OEA is participating on behalf of the following group of utilities: Alectra Utilities; Elexicon Energy Inc.; Enbridge Gas Inc.; Hydro One Networks Inc.; Hydro Ottawa; Toronto Hydro; OPG; and UCT2.

Yours very truly,

A handwritten signature in black ink, appearing to read 'J. Teskey'.
