Dear Ms. Marconi:

Re: EB-2023-0343 – Enbridge Gas – East Gwillimbury Gas Expansion Project

Enclosed please find a copy of updated interrogatories in this matter. The only change is to interrogatory 38, and the only changes to that interrogatory are (i) to update the dates used in the interrogatory to reflect the abeyance to ensure that the latest available data is provided and (ii) to add a note asking that Enbridge ensure that the data from Hidden Valley, Selwyn, and Mohawks of the Bay of Quinte First Nation are included.

Yours truly,

Kent Elson
