Dear Ms Walli:

**Re: Union Gas Limited/
Application for Multi-Year Incentive Rate Mechanism to Determine
Rates Commencing January 1, 2008/
Your File No. EB-2007-0606**

We are counsel to the Consumers Council of Canada ("CCC"). We have been instructed by our client to deliver written notice of its intervention in the application of Union Gas Limited ("Union") for an order or orders approving a multi-year incentive rate mechanism to determine rates for the regulated distribution, transmission and storage of gas effective January 1, 2008.

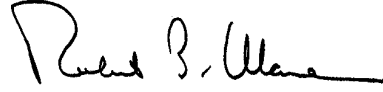

The issues to be dealt with in the application are important to the interests of the constituency our client represents, namely residential consumers. Our client intends to appear, and participate, in all aspects of the application, including pre-hearing procedures, alternate dispute resolution discussions, and any oral hearing.

The CCC is a non-profit, public interest organization. Our client intends to seek an award of costs at the end of the proceeding.

All notices with respect to the proceeding, and copies of all evidence, including interrogatory responses, should be delivered to the writer. In addition, in order to reduce costs, copies of all notices and all evidence should be sent, as well, to the following: Julie Girvan, 2 Penrose Road, Toronto, Ontario, M4S 1P1 tel: 416-322-7936, fax: 416-322-9703, email: jgirvan@ca.inter.net.

Yours very truly,

WeirFoulds LLP
