**RE: Electricity Retailer License ER-2020-0183  
Request for Cancellation of License**

To Whom It May Concern:

Duke Energy Services Canada, ULC ("DESC") currently holds Electricity Retailer License ER-2020-0183 ("License"). As of September 28, 2021, DESC no longer owns any generation or other physical assets in Ontario, nor is it party to any retail electric supply agreements with any customers in the province (or Canada). Please allow this letter to serve as DESC's request for cancellation of the License.

Thank you for your attention to this matter and should you require any additional information to process this request, please let me know.

Very truly yours,
