**RE: Consultation to Review 2024 Annual Update to Five-Year Natural Gas
Supply Plan of Enbridge Gas Inc.
Ontario Energy Board File No.: EB-2024-0067**

On April 15, 2024, the Ontario Energy Board (OEB) initiated a consultation to review Enbridge Gas Inc.'s (Enbridge Gas) Annual Update to its natural gas supply plan (GSP). The letter set out a consultation process which included dates for questions, a Stakeholder Conference, written comments and responses to comments.

On April 17, 2024, Enbridge Gas filed a letter indicating a scheduling conflict for the Stakeholder Conference and requested that the dates be changed. Pollution Probe in response to Enbridge Gas's letter suggested other dates for the Stakeholder Conference.

The OEB will grant Enbridge Gas's request to change the date for the Stakeholder Conference. The OEB has also made other corresponding changes to the consultation process.

Consultation Process

Shakeholders will have an opportunity to submit written questions, which should be sent to Enbridge Gas and filed with the OEB by **June 13, 2024**. A Stakeholder Conference is scheduled for:

- Date: **July 2-3, 2024**
- Time: 9:30 am
- Location: To be determined

Stakeholders will have an opportunity to submit written comments on the GSP by **July 17, 2024**. Enbridge Gas will then have the opportunity to provide a response by **July 31, 2024**.

Any questions relating to this letter should be directed to the Case Manager, Arturo Lau, at Arturo.Lau@oeb.ca. The OEB's toll-free number is 1-888-632- 6273.

Yours truly,

Nancy Marconi
