Toronto, ON M4P 1E4

Dear Ms. Marconi,

**Re: Independent Electricity System Operator
2024 and 2025 Incremental Revenue Requirement Submissions Interrogatory
Responses
Ontario Energy Board File No.: EB-2024-0004**

The Independent Electricity System Operator (IESO) is writing to file interrogatory responses (IRRs) in accordance with the Ontario Energy Board's (OEB) Procedural Order No. 2 dated March 22, 2024.

With its filing, the IESO has included an updated exhibit list. The IRRs have been organized by issue according to the Appendix B - Issues List in OEB's Procedural Order No. 2.

The updated exhibit list and the chart below help to illustrate this. Each IRR has a specific reference in the header: **Exhibit G** - representing interrogatories, **Tab** - representing the issue, **Schedule** – numbered to represent the party, followed by the file name which includes the issue, party, and interrogatory# (e.g., Exhibit G, Tab 1.0, Schedule 2 – 1.0 AMPCO 1, is the reference to the IESO's response to AMPCO Interrogatory 1 under issue 1.0).

Schedule numbers have been assigned as follows:

Parties	Schedule #
OEB STAFF	1
AMPCO	2
SEC	3
VECC	4
