Dear Ms. Stefan:

**Re: Algoma Power Inc. (Algoma Power)  
2025 Distribution Rate Application  
Ontario Energy Board File Number: EB-2024-0007**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated April 26, 2024, requesting an extension to the date for the filing of Algoma Power's 2025 distribution rate application from April 30, 2024 to May 31, 2024. Algoma Power noted that due to unforeseen circumstances including unplanned resourcing challenges, it is unable to file a complete application by April 30, 2024.

The OEB grants Algoma Power's request for an extension. Algoma Power shall file its 2025 distribution rate application with the OEB by May 31, 2024.

Please be advised that changes to the case schedule could affect the timing of the OEB's final decision in this matter.

Yours truly,

Nancy Marconi
