Dear Ms. Walli

Re: PowerStream Inc. (ED-2004-0420)

**2009 Cost of Service Electricity Distribution Rate Application
Board File No.: EB-2008-0244**

Please find enclosed two (2) blue updated paper copies of PowerStream's full response to SEC 16 only. When reviewing our responses, we noticed that a table in SEC 16 was not clearly legible and that part of the response was missing. Please note also that PowerStream's interrogatory responses to SEC 16 has been filed, in PDF format, on the Board's web portal.

If you have any questions, please do not hesitate to contact the undersigned.

Yours truly,
