I am a senior (71) on a pension and a excellent customer of Enbridge. I am not so opposed by a rate increase as it is already high. What should NOT be on the bill is Customer Charge: 20.00 and then the rest and it is TAXED. My late husband and I owned gas stations, convenience store and restaurant and campground. How would you iike me to put on your fill up an extra \$20.00 ????????
