RE: Electricity Generation License Amendment Request: EG-2007-0657

The Corporation of the Town of Tecumseh has entered into an Operations Agreement with Essex Energy Corporation. As a result, Tecumseh is requesting an amendment to its license EG-2007-0657 to revise the footnote indicating the designated Operator of two generation facilities in Schedule 1.

These facilities shall be listed indicating Essex Energy Corporation as the Operator and are as follows:

- The operation of Tecumseh Arena, with an installed capacity of 1 MW.
Located at 12021 McNorton St., Tecumseh, ON, N8N 3Z7
- The operation of Manning Road Pumping Station, with an installed capacity of 0.8 MW.
Located at 13400 Riverside Drive East, Tecumseh, ON, N8N 1B1

The operational purpose is consistent with the existing Authorizations listed in Section 3 of the license.

The Town of Tecumseh is also requesting that the primary contact person be amended to Phil Bartnik, Director Public Works & Engineering Services.

Reference Essex Energy Corporation's license EG-2020-190 amendment.

Thank you,

Margaret Misek-Evans
Chief Administrative Officer
