Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2008-0304 – Westcoast Energy Inc. and Union Gas Limited

We are counsel for the School Energy Coalition. We have reviewed the letter sent by counsel to Union yesterday, and copied to us today. We will not respond to the comments in the letter, as we consider it to be in the nature of Reply, and therefore it is not appropriate for us to have any further rejoinder.

However, the letter is timely, in that we had planned to file a set of interrogatories for the Board, so that the material we feel should be filed by the Applicants could be identified with precision. It was only the long weekend that prevented it from being filed yesterday.

We now provide that list of interrogatories to the Board, and hope that it is of assistance. Other parties may, of course, have other questions, but we believe that, for our purposes, the answers to these questions, in a Technical Conference format in which answers can be followed up, would provide a sufficient record for us to make submissions on the Application.

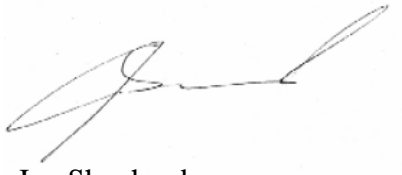

GREAT LAKES
LAW

All of which is respectfully submitted.

Yours very truly,

SHIBLEY RIGHTON LLP
