Electric Utility Multiyear Rate Plan Precedents¹

Jurisdiction	Company	Plan Term	Services Covered	Rate Escalation Provisions	Earnings Sharing Provisions	Case Reference
United States						
CA	California Pacific Electric	2022-2024	Power distribution	Revenue Cap Hybrid	None	Decision 23-04-043; April 2023
CA	San Diego Gas & Electric	2019-2021, extended to 2023	Gas & bundled power service	Revenue Cap Stairstep	None	Decisions 19-09-051 and 21-05-003; September 2019 and May 2021
CA	Southern California Edison	2021-2023	Bundled power service	Revenue Cap Hybrid	None	Decision 21-08-036; August 2021
DC	Potomac Electric Power ¹	2021-2023	Power distribution	Revenue Cap Stairstep	None	Formal Case 1156; June 2021
FL	Duke Energy Florida (formerly Progress Energy Florida)	2022-2024	Bundled power service	Revenue Cap Stairstep	None	Docket 20210016-EI; June 2021
FL	Florida Power & Light	2022-2026	Bundled power service	Rate Freeze with capital and other cost trackers	None	Docket 20210015-EI; December 2021
FL	Tampa Electric	2022-2024	Bundled power service	Rate Freeze with capital and other cost trackers	None	Docket 20200264-EI; November 2021
GA	Georgia Power	2023-2025	Bundled power service	Revenue Cap Stairstep	Sharing of overearnings with deadband	Docket No. 44280; December 2022
HI	Hawaiian Electric Company	2021-2026	Bundled power service	Revenue Cap Index	Sharing of earnings around deadband with multiple sharing bands	Decision and Order 37507
HI	Hawaiian Electric Light Company	2021-2026	Bundled power service	Revenue Cap Index	Sharing of earnings around deadband with multiple sharing bands	Decision and Order 37507
HI	Maui Electric	2021-2026	Bundled power service	Revenue Cap Index	Sharing of earnings around deadband with multiple sharing bands	Decision and Order 37507
LA	Cleco Power	2021-2024	Bundled power service	Rate Freeze with capital and other cost trackers	Sharing of overearnings only with deadband up to earnings cap	Docket U-35299; June 2021
MA	Eversource Energy	2023-2027	Power distribution	Revenue Cap Index	Sharing of overearnings only with deadband	DPU 22-22; November 2022
MA	National Grid	2019-2024	Power distribution	Revenue Cap Index	Sharing of overearnings only with deadband	DPU 18-150; September 2019
MA	Fitchburg Gas & Electric	2020-2023	Power distribution	Revenue Freeze with capital and other cost trackers	None	DPU 19-130; April 2020
MD	Baltimore Gas & Electric ¹	2021-2024	Power distribution	Revenue Cap Stairstep	None	Case No. 9645; December 2020
MD	Delmarva Power & Light ¹	2023-2026	Power distribution	Revenue Cap Stairstep	None	Case No. 9681; December 2022
MD	Potomac Electric Power ¹	2021-2024	Power distribution	Revenue Cap Stairstep	None	Case No. 9655; June 2021
MN	Northern States Power-Minnesota	2022-2024	Bundled power service	Revenue Cap Stairstep	None	GR-21-630; July 2023
NC	Duke Energy Progress	2023-2026	Bundled power service	Rate Cap Stairstep	Deadband up to an earnings cap	Docket E-2, Sub 1300; August 2023
NY	Central Hudson Gas & Electric	2021-2024	Gas & power distribution	Revenue Cap Stairstep	Sharing of overearnings with deadband and multiple sharing bands	Cases 20-E-0428 and 20-G-0429; November 2021
NY	Consolidated Edison	2023-2025	Gas & power distribution	Revenue Cap Stairstep	Sharing of overearnings with deadband and multiple sharing bands	Cases 22-E-0064, 22-G-0065; July 2023
NY	Niagara Mohawk	2021-2024	Gas & power distribution	Revenue Cap Stairstep	Sharing of overearnings only with deadband and multiple bands	Cases 20-E-0380, 20-G-0381; January 2022
NY	New York State Electric & Gas	2020-2023	Gas & power distribution	Revenue Cap Stairstep	Sharing of overearnings only with deadband and multiple sharing bands, values for deadband and sharing bands change from year to year	Cases 19-E-0378, 19-G-0379
NY	Orange & Rockland Utilities	2022-2024	Gas & power distribution	Revenue Cap Stairstep	Sharing of overearnings only with deadband and multiple sharing bands	Cases 21-E-0074, 21-G-0073
NY	Rochester Gas & Electric	2020-2023	Gas & power distribution	Revenue Cap Stairstep	Sharing of overearnings only with deadband and multiple sharing bands, values for deadband and sharing bands change from year to year	Cases 19-E-0380, 19-G-0381
OH	First Energy Ohio	2016-2024	Power distribution	Rate Freeze supplemented by capital and other cost trackers	Company subject to Significantly Excessive Earnings Test conducted annually	Case 14-1297-EL-SSO
RI	Narragansett Electric	2018-2025	Gas & power distribution	Revenue Cap Stairstep through 2021, rate freeze supplemented by capital and other cost trackers thereafter	Sharing of overearnings only with multiple sharing bands	Dockets 4770, 4780, and D-21-09; August 2018 and 2019 and February 2022
VT	Green Mountain Power	2023-2026	Bundled power service	Revenue Cap Hybrid	Sharing of earnings variances beyond deadband to a cap/floor	Case No. 21-3707-PET
WV	Appalachian Power	2021-2024	Bundled power service	Rate Freeze supplemented by capital and other cost trackers	None	Case No. 20-1012-E-P (June 2021)
WV	Wheeling Power	2021-2024	Bundled power service	Rate Freeze supplemented by capital and other cost trackers	None	Case No. 20-1012-E-P (June 2021)

¹ These plans are called multiyear rate plans but include cost reconciliation provisions that are inconsistent with our definition of these plans.

Canada						
British Columbia	BC Hydro	2022-2025	Bundled power service	Revenue Cap Stairstep	None	Order G-91-23; April 2023
British Columbia	FortisBC	2020-2024	Bundled power service	Revenue Cap Hybrid	Symmetric without deadband	Orders G-165-20 and G-166-20; June 2020
Ontario	All unless company opts out	2014-open	Power distribution	Price Cap Index: Input price index (0%+stretch); stretch factor reassigned annually, + capital cost tracker option available	None	EB-2010-0379 Report of the Board; November 2013
Ontario	B2M Limited Partnership	2020-2024	Power transmission	Revenue Cap Index	Even sharing of overearnings in excess of deadband	EB-2019-0178; January 2020
Ontario	Hydro One Networks	2023-2027	Power distribution	Revenue Cap Hybrid	Even sharing of overearnings in excess of deadband	EB-2021-0110; November 2022
Ontario	Hydro One Networks	2023-2027	Power transmission	Revenue Cap Hybrid	Even sharing of overearnings in excess of deadband	EB-2021-0110; November 2022
Ontario	Hydro One Sault Ste. Marie	2019-2026	Power transmission	Revenue Cap Index	No ESM until 2022. Beginning in 2022: sharing of overearnings only with deadband.	EB-2018-0218; June 2019
Ontario	Hydro Ottawa	2021-2025	Power distribution	Revenue Cap Hybrid	Even sharing of overearnings	EB-2019-0261; November 2020
Ontario	Ontario Power Generation	2022-2026	Nuclear generation	Price Cap Stairstep	Even sharing of overearnings in excess of deadband (ESM calculated as the combined performance of nuclear and hydro businesses)	EB-2020-0290; November 2021
Ontario	Ontario Power Generation	2022-2026	Hydro generation	Rate Freeze supplemented by capital cost and other trackers	Even sharing of overearnings in excess of deadband (ESM calculated as the combined performance of nuclear and hydro businesses)	EB-2020-0290; November 2021
Ontario	Toronto Hydro	2020-2024	Power distribution	Revenue Cap Hybrid	Even sharing of overearnings in excess of deadband	EB-2018-0165; December 2019
Ontario	NextBridge	2022-2027	Power transmission	Revenue Cap Stairstep	Even sharing of overearnings in excess of deadband	EB-2020-0150; June 2021
Ontario	Niagara Reinforcement Limited Partnership	2020-2024	Power transmission	Revenue Cap Index	Even sharing of overearnings in excess of deadband	EB-2018-0275; April 2020
Prince Edward Island	Maritime Electric	2023-2026	Bundled power service	Price Cap Stairstep	Deadband up to earnings cap	Docket UE20946; April 2023
Quebec	Hydro Quebec	2020-2025	Power distribution	Price Cap Index	None	Bill 34 of 2019 of the National Assembly of Québec
Great Britain						
Great Britain	All	2021-2026	Gas and power transmission	British-Style Hybrid	Not reviewed	RIO-2 Final Determinations; December 2020
Great Britain	All	2023-2028	Power distribution	British-Style Hybrid	Variances of cost from budgets shared though Totex Incentive Mechanism	RIO-ED2 Final Determinations; November 2022
Australia/New Zealand						
Australia	AusNet Services	2022-2027	Power transmission	Australian-Style Hybrid	Not reviewed	Final Decision AusNet Services transmission determination April 1, 2022-March 31, 2027; January 2022
Australia	Powerlink	2022-2027	Power transmission	Australian-Style Hybrid	Not reviewed	Final Decision Powerlink Queensland transmission determination July 1, 2022-June 30, 2027; April 2022
Australia	AusNet Services	2021-2026	Power distribution	Australian-Style Hybrid	Not reviewed	Final Decision AusNet Services distribution determination July 1, 2021-June 30, 2026; April 2021
Australia	CitiPower	2021-2026	Power distribution	Australian-Style Hybrid	Not reviewed	Final Decision CitiPower distribution determination July 1, 2021-June 30, 2026; April 2021
Australia	Jemena	2021-2026	Power distribution	Australian-Style Hybrid	Not reviewed	Final Decision Jemena distribution determination July 1, 2021-June 30, 2026; April 2021
Australia	Powercor	2021-2026	Power distribution	Australian-Style Hybrid	Not reviewed	Final Decision Powercor distribution determination July 1, 2021-June 30, 2026; April 2021
Australia	United Energy	2021-2026	Power distribution	Australian-Style Hybrid	Not reviewed	Final Decision United Energy distribution determination July 1, 2021-June 30, 2026; April 2021

AZ	Arizona Public Service	2017-2020	Bundled power service	Rate Freeze with an adjustment to account for installation of scrubbers on Four Corners generating facility, additional capital and other cost trackers	None	Docket No. E-01345A-16-0123; August 2017
AZ	Arizona Public Service	2012-2016	Bundled power service	Rate Freeze with an adjustment to account for purchase of SCE's share of Four Corners generating facility, additional capital and other cost trackers	None	Decision 73183; May 2012
CA	Bear Valley Electric Service	2018-2022	Power distribution	Revenue Cap Stairstep	None	Decision 19-08-027; August 2019
CA	Bear Valley Electric Service	2013-2016, extended to 2017	Power distribution	Revenue Cap Stairstep	None	Decision 14-11-002; November 2014
CA	Bear Valley Electric Service	2009-2012	Power distribution	Revenue Cap Stairstep	None	Decision 09-10-028; October 2009
CA	California Pacific Electric	2019-2021	Power distribution	Revenue Cap Hybrid	None	Decision 20-08-030; August 2020
CA	California Pacific Electric	2016-2018	Power distribution	Revenue Cap Index; supplemental funding for major plant additions can be requested in annual filings	None	Decisions 12-11-030 and 16-12-004
CA	California Pacific Electric	2013-2015	Power distribution	Revenue Cap Index	None	Decision 12-11-030; November 2012
CA	Pacific Gas & Electric	2020-2022	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 20-12-005; December 2020
CA	Pacific Gas & Electric	2017-2019	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 17-05-013; May 2017
CA	Pacific Gas & Electric	2014-2016	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 14-08-032; August 2014
CA	Pacific Gas & Electric	2011-2013	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 11-05-018; May 2011
CA	Pacific Gas & Electric	2007-2010	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 07-03-044; March 2007
CA	Pacific Gas & Electric	2004-2006	Gas & bundled power service		None	Decision 04-05-055; May 2004
CA	Pacific Gas & Electric	1993-1995	Gas & bundled power service	Revenue Cap Hybrid	None	Decision 92-12-057; December 1992
CA	Pacific Gas & Electric	1990-1992	Gas & bundled power service	Revenue Cap Hybrid	None	Decision 89-12-057; December 1989
CA	Pacific Gas & Electric	1987-1989	Gas & bundled power service	Revenue Cap Hybrid	None	Decision 86-12-092; December 1986
CA	Pacific Gas & Electric	1984-1986	Gas & bundled power service	Revenue Cap Hybrid	None	Decisions 83-12-068; December 1983 and 85-12-076; December 1985
CA	PacifiCorp	2019-2022	Bundled power service	Price Cap Index: Rates escalated by Global Insight forecast of CPI, less 0.5% productivity factor; supplemental funding for major plant additions can be requested in annual filings	None	Decisions 20-02-025 and 21-01-006; February 2020 and January 2021
CA	PacifiCorp	2011-2013, extended through 2018	Bundled power service	Price Cap Index: Rates escalated by Global Insight forecast of CPI, less 0.5% productivity factor; supplemental funding for major plant additions can be requested in annual filings	None	Decision 10-09-010; September 2010
CA	PacifiCorp	2007-2009, extended to 2010	Bundled power service	Price Cap Index	None	Decisions 06-12-011; December 2006 and 09-04-017; April 2009
CA	PacifiCorp	1994-1996	Bundled power service	Price Cap Index	None	Decision 93-12-106; December 1993
CA	PacifiCorp	1984-1987	Bundled power service	Revenue Cap Hybrid	None	Decisions 84-07-150; July 1984 and 85-12-076; December 1985
CA	San Diego Gas & Electric	2016-2018	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 16-06-054; June 2016
CA	San Diego Gas & Electric	2012-2015	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 13-05-010; May 2013
CA	San Diego Gas & Electric	2008-2011	Gas & bundled power service	Revenue Cap Stairstep	None	Decision 08-07-046; July 2008
CA	San Diego Gas & Electric	2005-2007	Gas & bundled power service	Revenue Cap Index	Sharing of overearnings only with deadband and multiple sharing bands	Decision 05-03-025; March 2005
CA	San Diego Gas and Electric	1999-2002	Gas & power distribution	Price Cap Index	Sharing of overearnings only with deadband and multiple sharing bands	Decision 99-05-030; May 1999
CA	San Diego Gas & Electric	1994-1999	Gas & bundled power service	Revenue Cap Hybrid	Sharing of overearnings only with deadband and multiple sharing bands up to an earnings cap	Decision 94-08-023; August 1984
CA	San Diego Gas & Electric	1989-1993	Gas & bundled power service	Revenue Cap Hybrid	None	Decision 88-12-085; December 1988
CA	San Diego Gas & Electric	1986-1988	Gas & bundled power service	Revenue Cap Hybrid	None	Decision 85-12-108; December 1985
CA	Sierra Pacific Power	2009-2011, extended to 2012	Bundled power service	Price Cap Index	None	Decision 09-10-041; October 2009

CA	Southern California Edison	1997-2001	Power distribution	Price Cap Index	Sharing of over/underearnings outside deadband with multiple sharing bands	Decision 96-09-092; September 1996
CA	Southern California Edison	1986-1991	Bundled power service	Revenue Cap Hybrid	None	Decision 85-12-076; December 1985
CO	Public Service of Colorado	2015-2017	Bundled power service	Rate Freeze with multiple capital cost trackers	Sharing of overearnings only up to earnings cap	Decision C15-0292
CO	Public Service of Colorado	2012-2014	Bundled power service	Revenue Cap Stairstep	Sharing of overearnings only without deadband, multiple sharing bands up to earnings cap	Decision C12-0494
CT	Connecticut Light & Power	2018-2021	Power distribution	Revenue Cap Stairstep with supplemental capital cost tracker	50-50 sharing of overearnings	Docket 17-10-46; April 2018
CT	Connecticut Light & Power	2004-2007	Power distribution	Revenue Cap Stairstep	Even sharing of overearning without deadband	Docket 03-07-02
CT	United Illuminating	2017-2019	Power distribution	Revenue Cap Stairstep	Even sharing of overearning without deadband	Docket 16-06-04; December 2016
CT	United Illuminating	2006-2008	Power distribution	Revenue Cap Stairstep	Even sharing of overearning without deadband	Docket 05-06-04
FL	Duke Energy Florida (formerly Progress Energy Florida)	2018-2021	Bundled power service	Revenue Cap Stairstep supplemented by capital cost trackers	None	Dockets 20170183-EI, November 2017
FL	Duke Energy Florida (formerly Progress Energy Florida)	2012-2016, extended to 2017	Bundled power service	Rate Freeze with one step plus capital and other cost trackers	None	Dockets 120022-EI and 130208-EI
FL	Progress Energy Florida	2006-2009	Bundled power service	Rate Freeze with 1 step to reflect generation brought in-service and multiple capital and other cost trackers	None	Docket 050078-EI
FL	Florida Power & Light	2017-2020	Bundled power service	Rate Freeze with an additional step increase and multiple capital and other cost trackers	None	Docket 160021-EI; December 2016
FL	Florida Power & Light	2013-2016	Bundled power service	Rate Freeze with multiple capital and other cost trackers	None	Docket 120015-EI; December 2012
FL	Florida Power & Light	2006-2009	Bundled power service	Rate Freeze with exception for new generating facilities after they are in service and multiple capital and other cost trackers	None	Docket 050045-EI
FL	Gulf Power	2014-2017	Bundled power service	Price Cap Stairstep through 2015, Rate Freeze beyond	None	Docket 130140-EI; December 2013
FL	Tampa Electric	2017-2021	Bundled power service	Rate Freeze with multiple capital and other cost trackers	None	Docket 20170210-EI; November 2017
FL	Tampa Electric	2013-2017	Bundled power service	Revenue Cap Stairstep	None	Docket 130040-EI
GA	Georgia Power	2020-2022	Bundled power service	Revenue Cap Stairstep	Sharing of overearnings only with deadband	Docket 42516; December 2019
GA	Georgia Power	2014-2016, extended through 2019	Bundled power service	Revenue Cap Stairstep through 2016, Rate Freeze with supplemental capital cost trackers thereafter	Sharing of overearnings only with deadband	Docket 36989; December 2013
GA	Georgia Power	2011-2013	Bundled power service	Revenue Cap Stairstep	Sharing of overearnings only with deadband	Docket 31958
HI	Hawaiian Electric Company	2012-2021	Bundled power service	Revenue Cap Hybrid through 2014; Revenue Cap Hybrid capped at growth in GDPI thereafter, with multiple capital cost trackers	Sharing of overearnings only without deadband, multiple sharing levels	Dockets 2008-0274, 2008-0083, and 2013-0141
HI	Hawaiian Electric Light Company	2013-2021	Bundled power service	Revenue Cap Hybrid through 2014; Revenue Cap Hybrid capped at growth in GDPI thereafter, with multiple capital cost trackers	Sharing of overearnings only without deadband, multiple sharing levels	Dockets 2008-0274, 2009-0164, and 2013-0141
HI	Maui Electric	2013-2021	Bundled power service	Revenue Cap Hybrid through 2014; Revenue Cap Hybrid capped at growth in GDPI thereafter, with multiple capital cost trackers	Sharing of overearnings only without deadband, multiple sharing levels	Dockets 2008-0274, 2009-0163, and 2013-0141
IA	MidAmerican Energy	2014-2017	Bundled power service	Revenue Cap Stairstep for 2014-2016, Rate Freeze for 2017	Sharing of overearnings only with deadband up to earnings cap	RPU-2013-0004
IA	MidAmerican Energy	2001-2005, extended to 2013	Bundled power service	Rate Freeze with nuclear capital and other cost trackers	Sharing of overearnings only in multiple sharing bands, deadband not applicable due to no allowed ROE	Dockets RPU-01-3 and RPU-2012-0001
