Dear Ms. Marconi,

**RE: EB-2022-0325 – Generic Hearing on Uniform Transmission Rates – Phase 2 -
Submissions of the London Property Management Association on Issues List**

On behalf of the London Property Management Association (“LPMA”) I have reviewed the Board Staff (“Staff”) draft detailed issues list for Issues, 4, 5 & 6 dated April 29, 2024, along with the proposed detailed issues list for Issue 4 filed by Niagara-on-the lake Hydro Inc., Canadian Niagara Power Inc., Entegrus Powerlines Inc., & Halton Hills Hydro Inc. (“Joint Submission”).

While LPMA believes that the Staff detailed issues list is sufficiently broad to capture any and all issues that may arise with respect to Issues 4, 5 & 6, LPMA believes that the proposed draft issues list related to Issue 4 provided in the Joint Submission is preferred in comparison to that provided by Staff. The Joint Submission proposal retains the broad nature of the Staff proposal while at the same time providing some specific issues that need to be addressed in this proceeding.

Yours very truly,

Randy Aiken
