Dear Ms. Marconi:

Re: EB-2022-0200 – Enbridge Gas Inc. (EGI) Application for 2024 Cost of Service Rates.

Amendments - IGUA's Final Statement of Costs (Cost Claim Number 2065) filed April 29, 2024.

Since submission on April 29th of IGUA's Final Statement of Costs in the captioned matter, it has come to our attention that amendments to the claim are required, as follows:

1. The initial claim includes HST in respect of amounts claimed for fees paid to Robert Knecht, though Mr. Knecht's charges to IGUA are "zero rated" and thus no HST was paid on Mr. Knecht's invoices. Accordingly, IGUA's cost claim should be reduced by \$5,148.00.
2. The initial claim includes meal allowances that OEB Staff have reminded us are no longer recoverable. Accordingly, removal of the following amounts from the claim are warranted;
 - (a) \$5.72 from the claim for recovery of costs incurred for Dr. Sean Cleary; and
 - (b) \$132.52 from the claim for costs incurred for Dr. Asa Hopkins.

We therefore request amendment of IGUA's cost claim to remove the foregoing items, and apologize for any inconvenience.

Yours truly,

Ian A. Mondrow
