Dear Ms. Lewis:

**Re: Lagasco Inc. (Lagasco)**  
**Application for a Limited Certificate of Public Convenience and Necessity**  
**(Certificate)**  
**OEB File Number: EB-2023-0344**

Lagasco Inc. filed an application with the Ontario Energy Board (OEB) on November 24, 2023 under section 8 of the *Municipal Franchises Act*, R.S.O. 1990, c. M.55 seeking approval for a limited certificate of public convenience and necessity to serve the proposed Proplant Generation Facility.

On May 31, 2024, Lagasco filed a letter with the OEB requesting to withdraw its application because Proplant Propagation Services Ltd. decided to not accept natural gas from Lagasco for its proposed generation facility.

The OEB accepts Lagasco's request to withdraw its application.

Pursuant to section 30 of the *Ontario Energy Board Act*, 1998, S.O.1998, c.15, Schedule B, Lagasco shall pay the OEB's costs of and incidental to this proceeding immediately upon receipt of the OEB's invoice.
