Dear Ms. Marconi,

**RE: EB-2024-0067 – Enbridge Gas 2024 Annual Update to 5 Year Gas Supply Plan
Late Participation Request of Energy Probe**

In its letter of April 15, 2024, the OEB initiated a a consultation to review the Annual Update of the gas supply plan of Enbridge Gas. The OEB invited participation in this consultation process by all interested and affected parties. The OEB indicated that interested parties should file participation and cost eligibility requests by April 30, 2024. Energy Probe inadvertently missed the deadline and is requesting to be allowed to participate in the consultation. In view of the lateness of its participation request, Energy Probe is not requesting cost eligibility. Energy Probe participated in past consultations of annual updates to the 5-year gas supply plan. Members and supporters of Energy Probe are customers of Enbridge Gas. More about Energy Probe can be found on the OEB website under Annual Filings of Frequent Intervenor at the link below.

Should the OEB approve this late participation request, Energy Probe will be represented by the undersigned.

Respectfully submitted on behalf of Energy Probe.
