EB-2024-0111 Enbridge 2024 Rebasing – Phase 2
Pollution Probe Letter on Intervenor Evidence

Dear Ms. Marconi:

Pollution Probe is not proposing to procure specific expert evidence for this proceeding. However, similar to other proceedings and previous direction provided by the OEB, Pollution Probe intends to coordinate and file relevant best information through the proceeding as appropriate. This is already accommodated through the standard process leveraged by the OEB and no incremental approvals is requested to accommodate this.

Respectfully submitted on behalf of Pollution Probe.
