Dear Mr. Bartnik:

**Re: The Corporation of the Town of Tecumseh (Town of Tecumseh)  
Application for an Electricity Generation Licence Amendment  
OEB File Number: EB-2024-0172**

The Ontario Energy Board (OEB) received the Town of Tecumseh's application for an electricity generation licence amendment on May 13, 2024. However, the OEB was awaiting GenSet Resource Management Inc.'s (GenSet) electricity generation licence amendment application (EB-2024-0204) before deeming the Town of Tecumseh's application complete.

The OEB received GenSet's electricity generation licence amendment application on June 7, 2024, and can now begin processing the Town of Tecumseh's application. The OEB has assigned file number EB-2024-0172 to this application.

The application will be decided by an employee of the OEB who has been delegated this authority under section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

If required, OEB staff will contact you directly to seek clarification regarding the application or to request additional information. Please note that the timely processing of the application depends on the receipt of information within the specified timelines.

Town of Tecumseh is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions to Natasha Gocool, Advisor, Transmission Policy & Compliance at [natasha.gocool@oeb.ca](mailto:natasha.gocool@oeb.ca). Please refer to the OEB file number noted above in all future correspondence to the OEB regarding your application.

Yours truly,

John Pickernell  
Manager, Applications Administration
