Dear Ms. Marconi:

EB-2024-0067 Consultation to Review 2024 Annual Update to Five-Year Natural Gas Supply Plan of Enbridge Gas Inc. - Building Owners and Managers Association's Stakeholder Conference Questions

In its April 22, 2024 letter, the Ontario Energy Board (OEB) invited stakeholders to submit written questions regarding Enbridge Gas Inc.'s (EGI) 2024 update to its five-year natural gas supply plan (GSP). Building Owners and Managers Association (BOMA) is writing in response to this invitation.

After reviewing the questions submitted by Pollution Probe dated June 11, 2024, BOMA submits that its initial areas of focus have been covered by the Pollution Probe questions. As such, BOMA does not have any incremental questions prior to the July 2-3, 2024 Stakeholder Conference.

Sincerely,
