Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas or the Company)  
Ontario Energy Board (OEB) File No.: EB-2023-0343  
East Gwillimbury Community Expansion Project  
Request for Abeyance Extension**

---

Within its Procedural Order No. 2 dated April 4, 2024, the OEB placed the East Gwillimbury Community Expansion Project proceeding in abeyance at the Company's request and provided a procedural timeline that included a deadline for Enbridge Gas to file its updated evidence no later than June 21, 2024.

This letter is to advise that Enbridge Gas is currently engaging in public consultation to satisfy the OEB's Environmental Guidelines and is in the process of amending the Environmental Report (ER) to include the omitted section of pipe, as identified in the Company's letter to the OEB requesting abeyance dated April 3, 2024.

To provide sufficient time for the Ontario Pipeline Coordinating Committee (OPCC) to review the draft ER Addendum and provide comment, and for Enbridge Gas to incorporate OPCC comments and prepare updated evidence, the Company is requesting that the OEB continue to hold the application in abeyance until August 30, 2024.

If you have any questions, please contact the undersigned.

Sincerely,

Eric VanRuymbeke
