Dear Ms. Stefan:

**Re: Algoma Power Inc. (Algoma Power)
2025 Distribution Rate Application
Ontario Energy Board File Number: EB-2024-0007**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated June 3, 2024, the OEB has completed its preliminary review of your 2025 Cost of Service rate application and will now commence the processing of your application. The next steps will be communicated in due course.

Pursuant to Chapter 1 of the [OEB's Filing Requirements For Electricity Distribution Rate Applications - 2022 Edition for 2023 Rate Applications](#), Algoma has confirmed that the documents it has filed in support of the above-referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

Algoma is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

As an initial matter, Algoma Power is required to file the following updates with the OEB by June 24, 2024:

- Chapter 2 appendices, tabs 2-OA (last OEB-approved capital structure) and 2-N (Corporate Cost Allocation)
- Current promissory note or other debt arrangements with affiliates

If the noted information is not filed by that date, the OEB will stop processing Algoma Power's application and place the application in abeyance, until such time the missing information is filed.

Please direct any questions relating to this application to the Case Manager, Brigit Armstrong, at 416-544-5162 or birgit.armstrong@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
