Dear Mr. VanRuymbeke:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
Application for East Gwillimbury Community Expansion Project  
OEB File Number: EB-2023-0343**

On April 4, 2024, the Ontario Energy Board (OEB) issued Procedural Order 2, placing this proceeding into abeyance at the request of Enbridge Gas. Enbridge Gas cited the need to update the pre-filed evidence due to the omission of a section of pipeline from the Environmental Report (ER). In Procedural Order 2, OEB provided for Enbridge to file the updated evidence no later than June 21, 2024.

On June 14, 2024, Enbridge Gas filed a letter requesting that the proceeding be held in abeyance until August 30, 2024, to allow for sufficient time for the Ontario Pipeline Coordination Committee (OPCC) to review the draft ER Addendum and provide comment, and for Enbridge Gas to incorporate the OPCC comments and prepare updated evidence.

The OEB accepts Enbridge Gas's request to extend the abeyance until August 30, 2024 and to file updated evidence.

Please direct any questions relating to this application to case manager Arturo Lau, at [Arturo.Lau@oeb.ca](mailto:Arturo.Lau@oeb.ca).

Yours truly,

Nancy Marconi  
Registrar
