DECISION AND ORDER

EB-2024-0103

KIRKLAND LAKE GOLD INC.

Application for an electricity wholesaler licence amendment

BY DELEGATION, BEFORE: Tracy Garner
Manager
Transmission Policy & Compliance

June 25, 2024

DECISION AND ORDER

Kirkland Lake Gold Inc. (KLG) filed an application on February 29, 2024, with the Ontario Energy Board (OEB) pursuant to section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) to amend the name of the licensee of electricity wholesaler licence EW-2020-0125.

This Decision and Order is being issued by the Delegated Authority pursuant to section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

KLG is a holder of an electricity wholesaler licence (EW-2020-0125), which was issued by the OEB on June 4, 2020. The applicant has requested for a name change to its electricity wholesaler licence from Kirkland Lake Gold Inc. to Agnico Eagle Mines Limited (Agnico) pursuant to an amalgamation. KLG and St. Andrew Goldfields Ltd., a licenced electricity wholesaler (EW-2020-0126), have amalgamated and are now continuing as Agnico. In support of the request, the applicant provided a copy of the certificate of amalgamation.

The OEB finds it to be in the public interest to amend the licence EW-2020-0125 to reflect the name change requested by KLG.

IT IS ORDERED THAT:

1. Electricity wholesaler licence EW-2020-0125 be amended to reflect the name change from Kirkland Lake Gold Inc. to Agnico Eagle Mines Limited. All other conditions of licence EW-2020-0125 remain unchanged. The amended licence is attached to this Decision and Order.

DATED at Toronto June 25, 2024
