Dear Ms Walli:

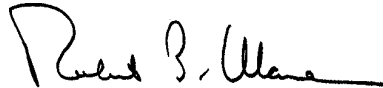

Re: EB-2008-0304

We are counsel to the Consumers Council of Canada in this matter.

Procedural Order No. 1 asks parties to deliver, on or before October 22, 2008, any written interrogatories they may have. We have reviewed the interrogatories of the School Energy Coalition. Those interrogatories cover the issues that we would have raised in our interrogatories. We see no value in asking essentially the same questions, albeit perhaps differently worded. Accordingly, we do not intend to file any interrogatories, and will rely on the answers provided to the interrogatories of the School Energy Coalition.

Yours very truly,

WeirFoulds LLP
